News Release: Danco Equipment (2009) Inc. Joins Our Team IMPROVED SERVICE SUPPORT TO OUR TOWING CUSTOMERS

Dear Customer:

The ownership group of Russell Truck Ltd. is happy to announce its acquisition of Danco Equipment (2009) Inc. With a history spanning more than 40 years, Danco Equipment (2009) Inc (Danco) has become a prominent part of the Canadian Truck Equipment Industry.

Danco has four main branch locations in Western Canada:

- Surrey, British Columbia
- Edmonton, Alberta
- Calgary, Alberta
- Regina, Saskatchewan

Danco sells and services an extensive group of truck equipment products including Cranes, Winches, Hook Lifts, Dump Bodies, Snow Products, PTOs, Winches and Truck Hydraulic component parts.

Russell Truck Ltd and Danco will be working hard over the next 6 months to leverage the new relationship to offer an unmatched level of service, parts and sales support to the Towing Industry across Western Canada at all branch locations.

As a first step, the Russell Truck Ltd team will begin its planning to relocate from its current New Westminister location to the more modern Danco facility in Surrey. This will allow for more efficient installations as well as improved service support.

As we move forward with relocating our business we will seek to keep you, our customer, informed. If you have any questions please feel free to call me to discuss:
